WARRANTY INFORMATION

M.V.A. warrants that the Aluminum rail and fence manufactured and sold them to be free from defects in materials and workmanship for a period of 20 years from the original purchase date. M.V.A. also warrants that the electrostatically applied paint finish will not crack, or peel for a period of 10 years from the date of purchase. This warranty extends only to the original purchaser and is subject to normal use. This warranty specifically excludes damage caused by negligence, alteration, accident, improper installation, abuse misuse, vandalism and acts of God. The manufacturer, at its discretion, may repair or replace a rail or fence that fails to conform to its warranty after inspection by an authorized company representative. Inspection will take place at the owners home or at the factory, at the manufacturers discretion. All charges or expenses for removal, shipping and reinstallation are the responsibility of the purchaser. All subsequent claims must be in writing. No agent, dealer, salesman or other person is authorized to change or modify this warranty and such changes will not be recognized by the manufacturer.
